Dearest [NAME OF RECIPIENT],

I would like to thank you for the work you put in to make my big day really special. You've helped me so much, from picking out the perfect dress, coming with me to all my fittings, putting together the theme, picking out the trinkets and giveaways, and going with me to try out the menu including the cake and the perfect wine to go with each course. You have been absolutely wonderful and indispensable for the success of my big day.

Please do know that I appreciate all your help during the entire process, especially for keeping me sane and for being a good friend during the most stressful, yet most exciting time of my life. Truly, I have made the right choice in picking you as one of the bridesmaids for my wedding.

Again, I greatly appreciate all the time that you spent to ensure that my big day will be perfect and special. I only hope that you had fun celebrating it with me.

Cheers to love and friendship!

With all my love,
